FOREWORD

Workforce Solutions Northeast Texas has developed this Relative Provider Handbook to inform you about its child care services and explain your financial role as a relative child care provider. Workforce Solutions Northeast Texas may be referred to as Workforce Solutions throughout this handbook.

The child care system allows parents to choose an eligible relative provider.

Providers have the right to have complaints or grievances heard without the threat of losing child care services. Providers should begin by explaining the problem or complaint to the child care staff at Workforce Solutions.

If the problem continues, ask to speak with the Child Care Services Manager and explain the problem. If both of these attempts fail to resolve the issue, providers are encouraged to call the administrative office of Workforce Solutions Northeast Texas to speak with the Child Care Project Manager or the Executive Director.

All rules, policies and procedures in this Handbook are based on federal or state laws and Workforce Solutions policies and procedures. Please read this handbook carefully. Keep it handy as a reference for questions you may have later. Feel free to call us, if you have any questions.

PURPOSE

This handbook is for eligible relatives providing child care to parents receiving child care assistance through Workforce Solutions.

It will provide:

- an overview of the child care services program
- a reference guide that you can keep information on your role in providing child care
- an explanation of the conditions on which child care services are based
- information on how to receive reimbursement for providing care
- information for consequences of obtaining or attempting to obtain, by fraudulent means, services to which s/he is not entitled.

WHICH RELATIVES ARE ELIGIBLE?

Relative providers must meet the following criteria to be eligible to provide reimbursed child care:

- Be 18 years of age or older
- Be related to the child/ren by blood, marriage or court decree
- Be a grandparent, great-grandparent, an aunt, uncle, or sibling of the child(ren)
- Maintain a separate residence from the family receiving child care services, unless family meets TWC exception rules
- Not appear on the Texas Department of Public Safety's Sex Offender Registry
- Be a Listed Family Home with Department of Family and Protective Services (DFPS).

Copies of birth certificates, marriage license, and/or court decree must be provided to verify the relative is eligible to be a provider. Proof of residence for the relative provider must be submitted to verify the relative's eligibility. Proof of the listing status must be provided.

INDEPENDENT CONTRACTOR

All relative providers are independent contractors with Workforce Solutions and not employees. The hours of care, provider rate and policies for providing child care are between the parent and the provider and are not dictated by Workforce Solutions.

The responsibility for the SAFETY, HEALTH, AND WELFARE of any child placed in your care is your responsibility, not the responsibility of Workforce Solutions Northeast Texas. Any ACCIDENT, INJURY, ABUSE, OR OTHER TRAUMA to a child placed in your care is your sole responsibility.

Workforce Solutions will not withhold any amounts for payment of taxes from your compensation for providing child care services. As a relative provider, you acknowledge that you are **not** entitled to participate in any pension, retirement, unemployment compensation, or other benefits programs based on your role as a relative provider through the child care program.

PARENT SHARE OF COST

Most parents receiving child care financial assistance will be assigned a monthly parent share of cost (PSOC). The amount of this fee will be deducted from the total reimbursement for child care services each month. As a provider, it is your responsibility to make arrangements with the parent to receive the monthly parent share of cost prior to caring for the child or children.

Note: The amount of the monthly parent share of cost will be listed on the *Authorization for Child Care Enrollment* (Form 2450) which will be mailed to you after placement.

CHILD CARE ATTENDANCE REPORTING

Workforce Solutions will only pay providers for days that have been authorized and care has been provided and the parent is working or in training. Authorized days are set up according to the parent's schedule. To be paid, a work calendar showing the parent work or training hours for each day for the two week period must be completed. The provider must enter on the calendar whether the child is present or absent. The calendar must be signed by both the parent and the provider and submitted to Workforce Solutions by the due date on the calendar. Relative providers are not paid for absences.

PAYMENT SCHEDULES

Relative providers are paid every two weeks for child care services.

It takes approximately two weeks after we receive accurate attendance information for payment to be made. If you should have any questions concerning payment, call (903) 794-8999 or toll free (800) 874-3226

BASIS FOR REIMBURSEMENT FOR CHILD CARE SERVICES

FORMS NEEDED BEFORE AUTHORIZING CARE CAN BE MADE:

- A copy of your DFPS Listing Permit.
- The *Relative Provider Financial Agreement* signed and dated by both the parent and provider.
- The Child Care Attendance Reporting, Responsibilities and Requirements.
- A W-9 *Request for Taxpayer Identification Number and Certification* form.
- A copy of your signed Social Security card.
- A copy of your state-issued picture I.D. or driver's license.
- Documentation proving relationship to the child
- Proof of residency for the relative and child(ren).
- A completed Direct Deposit Form with checking or savings account information.
- A completed Employment Verification Form by your employer if you are employed or sign and record your social security number on the form if you are not employed.

Full-time vs. Part-time

Full-time care is 6 or more hours per day.

Part-time care is less than 6 hours per day.

School-age care is part-time M-F during the school year and full-time during the summer unless the child(ren) are referred for full-time because of the parent's work schedule.

Reimbursement Rates for Children in School:

All school calendar children will be paid at a blended rate M-F during the school year and a full time rate during summer break. Workforce Solutions Northeast Texas will select the dates the blended rate will be paid to accommodate all school districts schedule as close as possible on a year by year basis.

Any school age child(ren) needing full-time care (over 6 hours) on a regular basis because the parent is working or in training at night, will be referred as full-time and paid full-time. If the parent works on weekends, the child/children will be referred separately for weekend care (full-time if over 6 hours or part-time if less than 6 hours).

TWC has determined that the school year is approximately 175 school days in session and 30 days not in session during the school year with a total of 205 days during the school year. For those approximate 205 days, the blended rate will be used.

When figuring the blended rate, as usual, the lower rate between the maximum rate paid and the provider's rate will be used. To figure your blended rate, use the following formula:

$$[(\text{Part time rate} \times 175) + (\text{Full time rate} \times 30)] / 205 = \text{blended rate}$$

MAXIMUM REIMBURSEMENT RATES

Workforce Solutions Northeast Texas sets maximum reimbursement rates that providers can be paid for child care services based on the following:

- The type of child care provided.
- The age of the child receiving child care, and
- Whether full-time or part-time care is authorized.

Eff. 5-1-10 the current maximum daily reimbursement rates are as follows:

AGE CATEGORIES	Infants (0-17 months)	Toddlers (13-35 mos)	Preschool (3-5 years)	School Age (6-12 years)
